

Rice Cake Faces

Ingredients

4 rice cakes

4 tablespoons natural yoghurt

Few drops of runny honey

Fresh fruit: kiwifruit, strawberries, grapes, blueberries, oranges, apples or bananas

Dried fruit: sultanas or cranberries

Lemon juice (if using apples or bananas)

Any type of fruit yoghurt can be used instead of the natural yoghurt and honey if you prefer.

Method

1. Prepare and slice the fruit. Halve the grapes and strawberries and dip the apple and banana slices in lemon juice.
2. Mix together the yoghurt and honey.
3. Spread the yoghurt over the rice cakes.
4. Make faces with the fruit – let your imagination run wild!
